

- ▲ Five styles to choose from, to aid in your installation process.
- ▲ Four side frame mounts and two in-frame mount.
- ▲ Made from a strong, yet light-weight Aluminum alloy, for long life and weight savings.

- ▲ Side frame units can mount using a frame drill bracket or a No-Drill kit that does not need to drill the frame. This allows for a savings in installation time.
- ▲ All models of battery boxes are stocked in various Merritt Warehouse locations.

- ▲ In-Frame box does not require any frame drilling to mount, saving installation time. Comes with mounting kit.
- ▲ All boxes come with or have an optional battery hold down kit. You do not need to spend time on how to mount the batteries.
